

Contractor's Insurance Requirements

The City does not represent that the specified coverages or limits of insurance are sufficient to protect the Contractor's interests or liabilities. Required coverages are to be maintained without interruption from the date of the commencement of the work until date of final payment and termination of any coverage required to be maintained after final payment. Questions regarding these requirements should be directed to Nancy Schuessler, Risk Management Specialist at (785) 309-5705.
